

SECONA PRESENTS

The Annual Security Consultants Meet 2017

9th & 10th Nov 2017, Ho Chi Minh City, Vietnam

After the success of the ASCM 2015 at Colombo and the ASCM 2016 in Kuala Lumpur, SECONA is now organising the ASCM 2017 in Ho Chi Minh City, Vietnam, one of the fastest growing cities in the world.

The ASCM is a unique annual event that brings together consultants, end users and manufacturers, to discuss and address challenges faced by the security technology industry. A combination of superb keynotes, engaging round-tables and informative presentations provides a great opportunity to gain and share knowledge - all aimed at raising the bar in the security technology industry which is experiencing a phenomenal growth all over the world.

If you are a user, a consultant, an architect - in the field of security & safety technology - the ASCM is an unmissable event in your calendar!

CONFERENCE THEMES

Smart &
Safe Cities

Critical
Infrastructure
Protection

Security in
Public Places &
Office Spaces

Cyber Security

VENUE

The ASCM 2017 will be held at the beautiful Hotel Caravelle, just opposite the iconic Opera House in District 1, Ho Chi Minh City. This centrally located 5-star hotel is just a few minutes away from the scenic riverside and is in close proximity to plenty of sightseeing destinations and shopping areas.

WHO CAN ATTEND?

The ASCM 2017 is open to consultants & architects operating in the fields of risk & security management, smart cities, building management, fire & safety as well as by CSOs and users & customers of security technologies. A special certificate of participation will be issued by SECONA, to all the participants.
